

Algerian Fiber Optic Splice Box 12 Cores

Overview

12 Cores FTTH Mini Fiber Optic Termination Box For Cable Fusion Splicing Model: FTB002 FTB002 termination box suits for jointing fibers with fiber pigtailed and it protects fiber optic splices and helps to distribute. It is equipped with 12 SC adapters and can work in outdoor environments. How can I pay for my order?

We accept T/T. The 12 port fiber splice box is a compact wall-mount enclosure designed for splice-only distribution in FTTH and P2P networks. Designed without adapter slots, this enclosure provides a high-reliability, low-loss solution for environments where permanent fusion splicing is preferred over. The top and base are sealed with hoops and rubber. The closure casing is made of high-quality engineering plastics, and has good explosion-proof performance against acid and alkali salt, anti-aging, as well as a smooth appearance and reliable mechanical structure. The mechanical structure is reliable. Check each product page for other buying options.
