

Croatian Fiber Optic Cable Splicer Supplier Inquiry

Article Overview

Telecron d.o.o. and Elektro Imber Ltd are key suppliers of fiber optic splicing equipment and related optical components in Croatia.

Key Suppliers

Telecron d.o.o. – Based in Zagreb, Telecron is a leading distributor of fiber optic equipment, including Fujikura fusion splicers, fiber optic blowing machines, and a wide range of installation and testing tools such as OTDRs, power meters, fiber cleavers, and strippers. They also provide cable pulling systems, connectors, and professional tool kits for field technicians, making them a comprehensive source for fiber optic deployment needs . Elektro Imber Ltd – Specializes in fiber optic distribution boxes, splice closures, optical splitters, patch cords, and pigtails. They offer splitters built with PLC technology for PON networks and provide custom-length patch cords with various connectors. Their product range includes indoor and outdoor enclosures, subscriber outlets, and optical cross-connect boxes, supporting both installation and network expansion projects . TIM KABEL D.O.O. – A major Croatian distributor of cables and conductors, including optical fiber cables. They operate offices in Zagreb, Split, and Osijek, and can supply bulk fiber optic cables for large-scale network projects . Mouser Electronics Croatia – Offers a selection of fiber optic cables with inventory, datasheets, and pricing, suitable for both professional and smaller-scale projects .

Additional Considerations

When sourcing fiber optic splicers and accessories in Croatia, consider:
