

Custom-made cable tray manufacturers

Article Overview

Custom-made cable trays are available from specialized manufacturers worldwide, offering tailored solutions for diverse industrial and construction needs.

Leading Manufacturers and Suppliers

JLH Electric is a prominent manufacturer with over 15 years of experience in designing and fabricating custom cable trays, including ladder, perforated, wire mesh, and cable trunking systems. They provide OEM/ODM services, ISO9001 and CE-certified products, and a full range of sizes and fittings to meet project-specific requirements. Hutaib Electricals specializes in custom cable tray solutions, focusing on precision, performance, and compliance. Their team collaborates closely with clients from design to manufacturing, ensuring enhanced efficiency, safety, and performance in complex or specialized environments. Atkore International is a global leader offering a wide portfolio of cable management systems, including stainless steel and galvanized trays. They cater to construction and renovation projects worldwide, providing high-quality, durable, and customizable solutions. Other notable manufacturers include PT. Trias Indra Saputra, Chalfant Manufacturing, Sunil Engineering Corporation, and ELCON CABLE TRAYS PVT. LTD., all of which provide tailored cable tray systems, accessories, and junction boxes for indoor and outdoor applications.

Regional Options

In Germany, leading manufacturers such as Icotek, Tsubaki Kabelschlepp, and Rosenberger-OSI GmbH & Co. OHG are known for precision engineering and high-quality custom cable trays, serving industrial and commercial projects with strict adherence to international safety standards.
