

How much does a cable tray cost in Benin

MTP MPO SC-Type Fiber Adapter

Article Overview

Cable tray prices in Benin typically range from \$2 to \$25 per meter, depending on material, type, and order quantity.

Price Overview

Cable tray costs in Benin vary based on material, type, size, and supplier. Common materials include galvanized steel, stainless steel, aluminum, and plastic, with galvanized steel being the most cost-effective and durable option, while stainless steel and aluminum are more expensive due to corrosion resistance and lightweight properties. Plastic trays are cheaper but suitable only for light loads. The type of tray also affects pricing:

- Ladder trays: Stronger, suitable for heavy cables, generally higher cost.
- Perforated trays: Moderate cost, versatile for most installations.
- Wire mesh trays: Lightweight and cheaper, ideal for smaller projects.

Local Suppliers

In Benin, suppliers like Ned-Tech provide a range of cable trays, including ladder trays, perforated trays, and trunking systems, with competitive pricing for bulk orders and delivery across major cities such as Cotonou, Porto-Novo, Parakou, Abomey-Calavi, and Bohicon. Other local suppliers also offer affordable options, though prices may vary depending on order size and customization.
