

Indonesia lays fiber optic cable

Article Overview

Indonesia has a robust fiber optic industry with numerous manufacturers and service providers offering high-quality cables and extensive network infrastructure.

Major Fiber Optic Cable Manufacturers

Indonesia hosts several leading fiber optic cable manufacturers known for producing durable and high-performance products:

- PT Indonesia Cable: Offers a wide range of single-mode and multi-mode fiber optic cables for telecommunications and industrial applications, recognized for reliability and performance .
- PT Voksel Electric Tbk: Specializes in optical fiber cables with advanced manufacturing processes including coloring, coating, stranding, and sheathing to enhance durability .
- PT BICC BERCA: Produces world-class fiber optic cables using renowned fibers like Corning, emphasizing quality and reliability for telecom and data transmission projects .
- PT ZTT Cable Indonesia: Manufactures fiber optic cables with various constructions (loose tube, tight buffer, semi-tight buffer) and protective materials suitable for diverse operating environments .
- PT Inti Fiber Optik: Focuses on premium fiber optic cables with international-standard quality, offering customization and supporting critical infrastructure in telecom, enterprise, and industrial networks . Other notable manufacturers include PT Sumi Denso Manufacturing, PT Citra Sumber Abadi, PT Multi Kabel Indah, and PT Ciptadaya Abadi, all contributing to Indonesia's fiber optic production capabilities .
