

Manufacturer of custom stainless steel cable trays

Article Overview

Several reputable manufacturers provide stainless steel cable trays, including Armorduct Systems, Thorne & Derrick, LASNEK, voestalpine Metsec, and Superfab Inc, offering a range of grades, sizes, and custom solutions.

Key Manufacturers

Armorduct Systems Ltd – A UK-based manufacturer specializing in steel cable management systems, including cable trays, trunking, baskets, and bespoke solutions designed and manufactured in-house . Thorne & Derrick – Offers stainless steel cable trays in 304 and 316 grades, available in light, medium, and heavy-duty ranges. Their trays are widely used in oil, gas, petrochemical, rail, offshore, marine, nuclear, and food processing industries, with a full range of couplers, bends, tees, and risers for flexible installation . LASNEK – Provides durable stainless steel cable trays in the UK, designed for efficient cable management across various industrial and commercial applications . voestalpine Metsec – Manufactures cable trays in stainless steel grade 1.4404 (316L) to order, with a wide range of depths and widths. Their systems conform to BS EN 61537 standards and include accessories for bends, tees, and risers. They also offer bespoke designs and CAD support for complex installations . Superfab Inc – Offers premium-grade stainless steel cable trays suitable for indoor and outdoor applications, including harsh environments like chemical plants, coastal areas, and food processing facilities. Their trays are modular, corrosion-resistant, and compatible with a wide range of accessories, with customization options available for specific project requirements .
