

Middle East Switch Industrial Factory

Overview

provides quality custom-built switchgear for a wide variety of applications for local and international markets. From the smallest Consumer Units & Distribution Boards to the largest Motor Control Centers & LV Panels. We strive to innovate in the MV and LV electrical power industry towards sustainability through solutions that spearhead renewable tech and circular economies. Al Hamad Industries International (AHII) was established in 2000 as a subsidiary of the long established Al Hamad Group. AHII operates from manufacturing premises of 10000 sq meters in Ajman UAE and has achieved accreditation for its Quality Management System in accordance with the ISO 9001: 2008. Join us in powering a safer and more efficient future! Founded in 1993 in the UAE, Tamco Middle East Ltd (TME) has established itself as a leader in the manufacturing of switchgear up to 12kV voltage range. With over 30 years of experience, we take pride in being a trusted partner for utilities. Middle East Switchgear Ind. LLC, Sharjah is set up in the year 2020.
