

Mongolia Huijue Fiber Optic Cable Manufacturer

Article Overview

Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network) is a leading fiber optic cable and telecom equipment manufacturer, with production facilities in China, while Mongolian companies like Moncable and New Optic LLC handle local installation and distribution.

About Huijue (HJ Network)

Shanghai Huijue Network Communication Equipment Co., Ltd, established in 2001, is a major manufacturer and solution provider for telecom and communication products, including fiber optic cables, telecom cabinets, and optical fiber accessories . The company's headquarters in Shanghai houses its R&D, technical, and prototype departments, covering over 10,000 square meters. Additionally, Huijue operates a mass production factory in Jiangsu province spanning 50,000 square meters, focused on precise metal production, assembly of cabinets, and optical fiber products . Huijue is ISO-certified and supplies products globally, including South Asia markets .

Fiber Optic Cable Infrastructure in Mongolia

While Huijue does not appear to have a manufacturing plant in Mongolia, local companies manage fiber optic cable deployment:
