

Oman Explosion-proof Distribution Box Factory

Article Overview

Key manufacturers and suppliers of explosion-proof distribution boxes in Oman include APSCO, Al Kiyumi Electric, and Warom, offering ATEX and IECEx certified products for hazardous environments.

APSCO

APSCO LLC in Oman provides ATEX-rated explosion-proof enclosures suitable for various hazardous zones. They focus on high-quality, specialized technology and offer a range of products designed for industrial applications requiring strict safety standards. Their offerings include distribution boxes and other enclosures for electrical systems in explosive atmospheres.

Al Kiyumi Electric & Trading Co. LLC

Al Kiyumi Electric is a trusted electrical supplier in Oman with a wide range of products, including explosion-proof junction boxes, light fittings, and accessories. They cater to industrial and hazardous areas, ensuring product availability and compliance with safety standards. Their portfolio also includes cable management systems, motor starters, and industrial plugs and sockets suitable for Ex zones.
