

Price of waterproof electrical distribution boxes in Saudi Arabia

Article Overview

Waterproof electrical distribution boxes in Saudi Arabia range from approximately SAR 945 to SAR 2,500 depending on size, material, and features.

Online Retail Options

- Amazon.sa offers outdoor waterproof electrical boxes with IP66 protection, made of stainless steel, suitable for wall mounting. Prices range from SAR 945 to SAR 2,507 depending on size and specifications, with options for installment payments over 12 months at select banks . These boxes feature double-slope rain-proof design, ventilation holes, thickened sealing strips, and durable construction for harsh environments .

Local Suppliers and Industrial Options

- Schneider Electric Saudi Arabia provides a wide range of enclosures, including steel, stainless steel, and high-performance plastic models. Their PanelSeT series includes wall-mounted, floor-standing, and modular enclosures suitable for industrial automation, power distribution, and outdoor applications. Pricing is available through their Spacial.conf online configurator, which allows customized quotes based on size, material, and environmental requirements .
- Nassguard supplies waterproof and explosion-proof junction boxes for industrial, commercial, and residential use. Options include IP65 to IP68-rated boxes, stainless steel or heavy-duty plastic construction, and customizable cable entry points. These are ideal for outdoor installations, oil and gas facilities, and other harsh environments .
