

Selection of Galvanized Cable Trays in Southeast Asia

Article Overview

Top brands in Southeast Asia include EAE Group (Malaysia), Nam Phong Engineering (Vietnam), and ApexTray (China), known for durable, corrosion-resistant galvanized cable trays compliant with international standards.

Leading Southeast Asian Manufacturers

EAE Group (Malaysia): Offers lightweight, corrosion-resistant galvanized trays suitable for both commercial and industrial applications. Their products are designed for easy installation and long-term durability in humid tropical climates . Nam Phong Engineering (Vietnam): Specializes in ladder and perforated trays for demanding infrastructure projects, including power plants and industrial facilities. Their trays are engineered to withstand heavy loads and harsh environmental conditions . ApexTray (China): Provides high-quality, easy-to-install galvanized trays with a wide range of sizes and configurations. ApexTray products are widely used in Southeast Asia and are suitable for both domestic and export projects .
