

South African Armored Optical Cable Wholesale Manufacturer

Article Overview

YOA Cables and CBI-electric: African Cables are leading South African manufacturers of armored optical fibre cables, offering wholesale supply for industrial and infrastructure projects.

Key Manufacturers

YOA Cables is recognized as Africa's largest optical fibre cable manufacturer, specializing in high-quality optical fibre products with innovations like Fast Fusion Technology (FFT) for easier installation and reduced damage during setup. They provide solutions suitable for armored cable applications and large-scale projects across the continent, ensuring reliable performance and compliance with industry standards (YOA Cables) . CBI-electric: African Cables has been manufacturing electric and fibre optic cables since 1935. Their Vereeniging facility produces a wide range of cables, including armored fibre optics, designed for mining, utilities, industrial, and renewable energy sectors. They emphasize technological development, safety, and quality, making them a trusted supplier for large-scale infrastructure projects (CBI-electric: African Cables) . Cable Mack is a major independent distributor in South Africa, stocking a broad range of cables including fiber optics. While primarily a distributor, they maintain extensive inventory and provide nationwide delivery, making them a convenient wholesale source for armored optical cables (Cable Mack)
