

What are some manufacturers of cable tray production equipment

Article Overview

Leading brands for cable tray production equipment include Atkore, Chalfant Manufacturing, Sunil Engineering, ELCON, and German manufacturers like Icotek and Tsubaki Kabelschlepp.

Key Manufacturers and Brands

Atkore International is a global leader in cable tray systems and related production equipment, offering machinery for high-quality fabrication and assembly of cable trays for industrial and commercial applications. Chalfant Manufacturing specializes in innovative cable tray systems and provides production equipment capable of handling complex designs, including self-connecting and walkable tray lines. Sunil Engineering Corporation produces a wide range of cable trays and accessories, emphasizing precision fabrication and customized solutions, supported by advanced machinery for perforated and ladder-type trays. ELCON CABLE TRAYS PVT. LTD. manufactures and exports various cable tray types, including wire mesh, ladder, and perforated trays, with production equipment designed for efficiency and scalability. German Brands such as Icotek and Tsubaki Kabelschlepp are renowned for precision engineering and smart cable management systems. Their equipment often integrates automation and high-precision processing for global industrial applications.

Types of Cable Tray Production Equipment

- Shearing Machines – Cut metal sheets to precise dimensions for tray fabrication, ensuring accuracy and efficiency.
