

Where can I buy fiber optic patch cords at the best prices

Article Overview

You can find affordable fiber optic patch cords on online marketplaces like Amazon and Walmart, or directly from specialized suppliers like Fibertronics for competitive, factory-direct pricing.

Online Marketplaces

- Amazon offers a wide range of fiber optic patch cables in various lengths and connector types. Prices vary by brand and length, and you can often find deals or bulk discounts by checking multiple sellers on the same product page .
- Walmart provides fiber patch cables at discounted prices, with options for in-store pickup or delivery, which can help save on shipping costs .
- Target also carries fiber optic cables at competitive prices, with promotions like free shipping on orders over \$35 and same-day pickup options .

Specialized Suppliers

- Fibertronics, Inc. offers high-quality fiber optic patch cords at factory-direct prices, which can be cheaper than retail marketplaces for bulk or custom orders. They provide both singlemode and multimode cables, with options for custom lengths, connector types, and polish finishes. Their products are assembled in the USA and undergo rigorous testing, ensuring reliability while offering cost savings compared to branded retail options .
