

Where can I find fiber optic cable junction boxes

Article Overview

Fiber optic cable junction boxes can be purchased from specialized industrial suppliers, online marketplaces, and electronics distributors.

Industrial Suppliers and Manufacturers

You can find a wide range of fiber optic junction boxes from industrial suppliers such as DirectIndustry, which lists products from leading brands like HUBER+SUHNER, BOPLA, and METZ CONNECT, offering both standard and specialized enclosures for professional use . GlobalSpec also provides various types of junction boxes, including indoor wall-mounted panels, rack-mounted enclosures, and outdoor dome closures suitable for industrial and commercial applications .

Online Electronics Distributors

EFB-Elektronik offers fiber splice boxes and distribution boxes, including pre-assembled and customizable options. Their products include splice cassettes, front panels with connectors, and accessories for secure and organized fiber management. They also provide technical consultation and fast delivery for professional installations .

Online Marketplaces

For smaller-scale or residential projects, Amazon carries fiber optic wall mount boxes and enclosures suitable for single-mode and multimode fiber cables. These are ideal for network rooms, MPOEs, or IDF rooms, and often come with LC couplers and pigtailed for easy installation .
